I. INTRODUCTION

The Board Charter sets out the composition, roles and responsibilities and processes of the Board.

The Board Charter, which serves as a strategic guidance and effective oversight of management, is also intended to provide a concise overview of:

1. clarification of the roles and responsibilities of the Board, individual director, chairman, managing director and chief executive officer to facilitate their accountability to the Company and its shareholders;
2. delegation of authority by the Board to various committees established in assisting the Board to execute its duties and responsibilities;
3. Board operating procedures and practices pertaining to meetings, training and development, code of conduct and declarations on conflicts of interest;
4. This Board Charter incorporates the Malaysian Code on Corporate Governance 2017 (“**MCCG 2017**”) by the Securities Commission Malaysia in April 2017, as considered appropriate, and Main Market Listing Requirements of Bursa Securities Berhad (“**Bursa Securities**”) (“**Listing Requirements**”) updated in January 2018 on corporate governance; and
5. Whilst this Board Charter serves as a structured guide, it shall not be construed as an exhaustive blueprint by Directors on corporate governance matters.

II. BOARD STRUCTURE

A. Composition

The number of directors shall not be less than 3 and not more than 12 as set out in the Company’s Constitution.

The composition of the Board shall be determined using the following principles and/or requirements:

- i) in accordance with the Listing Requirements, the Company must ensure that at least 2 directors or 1/3 of the Board, whichever is the higher, are independent directors. If the number of directors of the Company is not 3 or a multiple of 3, then the number nearest 1/3 must be used.
- ii) the positions of Chairman, Managing Director and Chief Executive Officer are required to be held by separate persons to ensure balance of power and authority and to maintain effective supervision and accountability of the Board and management.
- iii) there shall be at least 50% women directors.

B. Board Independence

The roles of the Independent Non-Executive Directors are particularly important in bringing independent judgement and ensuring all issues proposed by the executive management are fully discussed and examined to take into account the long-term interests, not only of the shareholders, but also other stakeholders such as the employees, customers and business associates.

In determining independence, the Board will consider the definition of “independent director” defined under Paragraph 1.01 of the Listing Requirements and assess the corporate governance practices in the light of the changing circumstances facing the Company. As such, the Board chooses not to take a prescriptive approach to independence but to consider the independence of each Director, on a case by case basis, by taking into consideration the following factors:

- i. The suitability and ability of the Independent Non-Executive Director to carry out their roles and responsibilities effectively should be based on their caliber, qualifications, experience, personal qualities and knowledge of the Group’s business operation and activities.
- ii. The ability of an Independent Non-Executive Director must be independent of management and free from any business or other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interest of the Company.

To preserve the independence of the Independent Non-Executive Director, their tenure shall not exceed a cumulative term limit of nine years. If the Board intends to retain an Independent Non-Executive Director beyond nine years, it should justify and seek annual shareholders’ approval through the two-tier voting process.

C. Appointment and Re-election

In accordance with the Company’s Constitution, one-third (1/3) or the number nearest to one-third (1/3) shall retire from office at each Annual General Meeting. A retiring director is eligible for re-appointment. It provides that any new or additional director appointed by the Board during the year shall hold office until the next Annual General Meeting and shall then be eligible for re-election. The election of each director is to be voted separately.
