Intended Outcome

Stakeholders are able to form an opinion on the overall effectiveness of the board and individual directors.

Practice 5.1

The board should undertake a formal and objective annual evaluation to determine the effectiveness of the board, its committees and each individual director. The board should disclose how the assessment was carried out and its outcome.

For Large Companies, the board engages independent experts periodically to facilitate objective and candid board evaluations.

Application	:	Departure	
Explanation on application of the practice	:		
Explanation for departure	:	The Director Nomination Policy sets out the process on annual assessment for Board and Committee members. The Board recognises the need to have annual assessment for Board and Committee members. However, the Board was of the opinion that an evaluation and assessment of the performance of the Board and the Committee members for a relatively short duration is not necessary at the moment. The Company was listed on 20 February 2020, and the first assessment of the Board and Board Committees will be conducted in the financial year 2020.

Practice 10.1

The Audit Committee should ensure that the internal audit function is effective and able to function independently.

Application	:	Departure	
Explanation on application of the practice	:		
Explanation for departure	:	<p>In the preparation of its listing, the Company underwent extensive due diligence process with its principal advisor, reporting accountant and legal counsel to ensure the Company's readiness in becoming a public listed company. In this regard, the Company engaged an external consulting firm to perform a gap analysis on its risk management and internal control system. The external consulting firm presented its findings to the Board on 6 March 2019. Management has since taken steps to address the findings highlighted by the external consulting firm.</p> <p>The abovementioned external consulting firm is KPMG Management & Risk Consulting Sdn Bhd, and is unable to be appointed as the Company's internal auditor due to independence concern, since the Company's external auditor is KPMG. The Company is in the midst of shortlisting suitable internal auditors as of the date of issuance of the Company's Annual Report 2019.</p> <p>Nevertheless, the Company does have existing internal control mechanism in place to provide the required level of assurance that the business is being operated in an orderly manner, and risks are being managed to an acceptable level.</p> <p>Please refer to the Statement of Risk Management and Internal Control in pages 67 to 69 of the Company's Annual Report 2019.</p>
